

## **Policy Statement on Maintaining and Utilizing Sports Ground and Equipments**

Students of the college are encouraged to participate in different sports competitions and to encourage organisation of intra-collegiate sports competition (DUM). Students are also encouraged to practice regularly at sports ground during their free time (after or before their Lecture Hours).

Sports ground is available on sharing basis with Fergusson College of our parent Society (Deccan Education Society). Ground is made available to students with permission from Fergusson College, Pune. Physical Director of the College guides and co-ordinates sports activities of the college.

Student representative of sports are encouraged to consult with other participating students on their views, requirements and preferences of sports equipments. The Faculty in-charge checks the condition of the equipments at different intervals, generally before starting of semester and before any match and accordingly requirement of repair or purchase is placed with the Principal of the College.

Equipment are also given for recreational purposes to those with a College ID card (students, faculty, and staff of the College). The office retains the card until return of the equipment. If there is any damage, then the user will be assessed the replacement cost of the equipment.
