## ABOUT THE EVENT:

“One country one God, one caste, one mind brothers all of us without difference, without doubt” Said our eminent freedom fighter, politician, lawyer, writer and social reformer, Shri Vinayak Damodar Savarkar.

As we look back at the legacy of Vinayak Damodar Savarkar, an alumni of Deccan Education Society it is visible that he condemned the irrational practices of religious rituals and advocated a strong embrace of science. He described it as the ‘*Yantra Yug*’, or the age of machines.

The rational ideology of Savarkar was to unify people for the cause of Indian independence, giving prominence to fraternity whereby the platform of public opinion was used to mobilize the thinking of common masses which eventually led to significant changes in the society.

2021 marks the 138th birth anniversary of Swatantryaveer Savarkar, one of the most prominent ideologies of Hindutva in the 20th Century. On the occasion of 75<sup>th</sup> year of India’s independence and to commemorate his contribution to India’s freedom struggle, a three day lectures series is organized with a view to reach the masses on topics like history, socio-legal, economics and political importance.
