We are pleased to announce an exciting upcoming event organized by the MUN Club of DES'S Shri Navalmal Firodia Law College. Get ready for a four-day workshop from the 16th to the 19th, which promises to be an enriching experience for all participants.

The workshop will be conducted in light of the upcoming Mumbai circuit, and we are thrilled to invite you all to be a part of it. This event aims to provide a platform for students to enhance their skills in diplomacy, public speaking, and critical thinking through engaging activities and interactive sessions.

During the workshop, you will have the opportunity to participate in a mock committee, simulating real-world scenarios, and sharpening your negotiation and consensus-building abilities. Additionally, various other activities will be organized to foster teamwork, leadership, and effective communication skills. Membership to the MUN Club will be offered as part of this workshop. By becoming a member, you can continue to engage in future MUN events, debates, and seminars, broadening your horizons and gaining invaluable experiences.
