-Shreeya Dharmatti -

“My experience with the Parliamentary Debate Club has been nothing but absolutely enlightening. There's so much to learn and so much to grasp that it has always left me intrigued. Every human is entitled to an opinion and it is equally important to hear and respect that opinion regardless you agree with it or not and this is one of the most pivotal thing I've learnt with being associated to this club!”

-Janaki Patil-

“A parliamentary debate requires you to come up with your arguments on the fly, using whatever prior knowledge and matter (research material) you have and this has helped articulate my ideas. PD club taught me to inculcate the sense of impromptu thinking, diplomacy, leadership and teamwork. Discussions have assisted me in taking account of all views and thereby made me learn to add consensus on how actual laws and subordinate laws are made. At last it helped me to boost my confidence”
