

JUDICIAL INTERNSHIP PROGRAM

A.Y.2024-25

REPORT

- Name of Department : Internship Department
- Introduction of the Activity:

DES' Shri Navalmal Firodia Law College always strives for excellence while catering to the needs of shaping budding lawyers for inculcating legal advancements, contributing to enhancing their legal trajectory in law practice. As the theory of law & its practical approaches, remain quite distant in learning phase of students, the college initiated an ambitious project i.e. Judicial Internship Program wherein the selected group of students visited the respective courts for knowing & understanding the procedural part of law.

- Name of the Activity: Judicial Internship Program
- Duration of the Event: 21 days
- Place/Venue : Family Court, Pune

Industrial & Labour Court, Pune

- Brief Report along with Geo Photographs/ Photographs:

The college initiated correspondence for Judicial Internship Program with Industrial & Labour Courts, Cooperative Appellate Court & Family Courts in Pune. The judges readily cooperated for this venture & accommodated students in their respective courts. Forty-five students sincerely joined the program, observed the proceedings & interacted about their queries with the judges. The judges in turn acknowledged their concerns & guided them in the areas like Banking, Trust, POSH, cases related to industrial disputes, labour issues, family disputes, property matters etc.

INDUSTRIAL & LABOUR COURT

INDUSTRIAL & LABOUR COURT

FAMILY COURT INTERNSHIP

The students were entrusted to record the proceedings, observations of all procedural details & link those to the theory of law they learn as a part of curriculum. The interns also visited e-filing section, Mediation section, interacted with family counsellor, learned formalities at Nazir section, researched various cases like judicial separation, grounds for divorce, mutual consent divorce, contesting divorce, child's custody, parental role in the divorce etc. under the supervision of respected judges in Family courts.

The students maintained the record of their observations, the information received relevant provisions of law, research work done & outcome of the judicial internship program in a journal and were awarded with the certificates & mementos for their consistent efforts towards completing this innovative endeavour facilitated by college for the first time.

FAMILY COURT TEAM LEADER INTERNS WITH FACULTY COORDINATOR & PRINCIPAL MADAM

- Importance of the event

Law profession can be conquered if skills are inculcated along with the knowledge of law imparted by legal professionals themselves because it's an experience actually on field. The participants were given exposure to mediation in family law cases, e-filing, researching case laws in respective cases under the supervision of honourable judges in all the respective courts.

- Number of Participants-45
- Outcome of the event etc.

The Judicial Internship Program was innovative & productive exercise initiated by the college. The participants showed enthusiasm in all these activities & maintained a well organised journal of all 21 days. The participants were awarded with the certification by the college & letter of appreciation by the respective courts. The initiative was successful due to the kind cooperation of college authorities, participants & the honourable judges.
