Report on One Day Legal Aid Awareness Camp

DES's Shri. Navalmal Firodia Law College, Pune organized a One-Day Legal Aid Awareness Camp on 17 September 2026 at Vadgaon Maval, as part of its commitment to promoting legal awareness and access to justice among the community.

The camp aimed to create awareness about basic legal rights, legal remedies, and the availability of free legal aid services for individuals who may face difficulties in accessing justice. The programme focused on bridging the gap between legal knowledge and the common citizen by providing simple and practical information about various legal provisions and mechanisms.

Students of the law college actively participated in the camp and interacted with members of the local community. They helped disseminate information regarding fundamental legal rights, the importance of seeking timely legal assistance, and the role of legal institutions in protecting the rights of citizens. The camp also provided students with an opportunity to understand the practical dimensions of legal aid and community-based legal service.

The initiative highlighted the importance of legal literacy as an essential component of social justice. Awareness of one's legal rights can empower individuals to address grievances and seek appropriate remedies through lawful channels.

The programme was convened by Adv. Ashok Palande, Vice Chairman, GB & Council, DES and Chairman, CDC, DES SNFLC, and Dr. Sunita Adhav, Principal, DES Shri. Navalmal Firodia Law College, Pune.

The One-Day Legal Aid Awareness Camp was a meaningful community outreach initiative that strengthened the connection between legal education and social responsibility. It provided students with valuable field experience while contributing to greater legal awareness among the local community. The programme reaffirmed the institution's commitment to promoting access to justice, legal literacy, and community engagement.
